

DARE TO DO MORE

Last year the Division of Student Affairs was split into two sub-Divisions. I am pleased to share that the last of the PRC processes are complete, and Enrollment Management and Student Affairs are now officially separate Divisions.

Enrollment Management will continue to be led by Interim Associate Dean Dr. Gail Baksh-Jarrett. The following departments comprise Enrollment Management:

- International Student Services
- LaGuardia C.A.R.E.S.
- New Student Engagement
- Office of Admissions & Recruitment
- Testing Office
- Student Financial Services
- Student Information Center

Student Affairs will continue to be led by Interim Associate Dean Dr. Fay M. Butler. The departments within Student Affairs are:

- ASAP
- Athletics and Recreation
- Black Male Empowerment Collective
- Campus Life
- College Discovery
- CUNY Edge
- Early Childhood Learning Center
- Health Services
- Office of Accessibility
- Office of Community Standards and Student Conduct
- Ombudsperson
- Student Advising Services
- Transfer Services
- Wellness Center
- Women's Center and LGBTQIA+ Safe Zone Hub

Searches will launch in the fall for two Vice Presidents to lead these Divisions.
